## Welcome back to FS1

Myself and Miss Channing are looking forward to welcoming lots of new faces that are joining us, alongside the familiar faces back to FS1.

Please do not hesitate to ask a member of the nursery staff if you have any questions or queries.

Our topic this half term is...

## Super Me, Super You!

The children will learn about their environment, where things are, what they are called, how to use things and look after them. They children will learn to share, take turns and learn to follow school rules and routines.

The children will talk about themselves and their families. They will explore their five senses and discuss how things sound, look, feel, smell and taste. They will learn about different occupations.

Linking to our topic we will be enjoying lots of stories including...

Children will continue to visit our 'Reading Room' where they will read for pleasure, individually or in small groups and will have the opportunity to choose a book to bring home and share.

They will also enjoy:

- Sharing books with an adult.
- Repeating words and phrases from familiar stories.
- Asking questions about a book.

## RE

In FS1 children will explore, embrace and gain a deeper understanding of Catholic and Christian traditions, while discovering traditions from other faith backgrounds. This allows the children to gain a deeper understanding of the world.

## Attendance

Regular attendance is directly linked to raising achievement. Please support the school in this by ensuring that your child attends school every day and arrives ready to learn.

Gates will open for the children at 8:35am and children are expected in class to start learning at 8:55am.

Reminder: Please check ClassDojo, X (Twitter), Facebook and of course, the school website, to see all of the fantastic activities we have been up to.
