## Welcome back to FS1

Miss Channing and I are excited to welcome your children back to nursery. We are looking forward to starting a new topic of learning, as well as taking part in lots of exciting events this half term.

Please do not hesitate to ask a member of the nursery staff if you have any questions or queries.

Linking to our topic we will be enjoying lots of stories including...

Children will continue to visit our 'Reading Room' where they will read for pleasure, individually or in small groups and will have the opportunity to choose a book to bring home and share.

They will also enjoy:

- Sharing books with an adult.
- Repeating words and phrases from familiar stories.
- Developing phonic awareness as they can spot and suggest rhymes.

Reminder: Please check ClassDojo, X (Twitter), Facebook and of course, the school website, to see all of the fantastic activities we have been up to.

Our topic this half term is...

**Let's Celebrate** The children will be learning about a variety of special festivals, including Diwali, Hanukkah and Christmas. They will discover the meaning behind these celebrations and explore the traditions that make each one unique. They will continue to learn about their environment, where things are, what they are called, how to use things and look after them. They children will continue to learn to share, take turns and learn to follow school rules and routines.

## RE

In FS1 children will explore, embrace and gain a deeper understanding of Catholic and Christian traditions, while discovering traditions from other faith backgrounds. This allows the children to gain a deeper understanding of the world.

## Attendance

Regular attendance is directly linked to raising achievement. Please support the school in this by ensuring that your child attends school every day and arrives ready to learn.

Gates will open for the children at 8:35am and children are expected in class to start learning at 8:55am
