Features and Benefits

You can enable restrictions to stop your children from usng specific features and applications on an iPhone, including blocking access to iTunes, resttrict explict content and in-app purchasing. You can also limit access to the camera and sharing of photos.

What specific content can I restrict?

Inappropriate content	Social networking	Browser access	Apps access	In-App purchasing	Social networking
Sharing location	Sharing data	Media streaming	Online Gaming		

What do I need?

The tablet you wish to set up the restrictions on.

Apple iPad

iPad

Step by step guide

1   Open the settings application on the tablet and under the "General" section find and tap on "Restrictions"
