Dear Year 1 Parents/Carers

As we continue our exciting journey through Year 1, I wanted to take a moment to share some important information regarding the Phonics Screening Check that your child will be participating in this year.

Attached to this letter, you will find a government-issued publication that provides a comprehensive overview of the Phonics Screening Check. This publication explains what the check entails, how it is used to assess your child's phonics skills, and - most importantly - how you can support your child's phonics learning at home.

Phonics is a vital part of your child's literacy development, and having strong phonics skills will help them as they move forward in their reading journey.

Please take the time to read through the attached document, as it contains valuable insights that will empower you to assist your child in their phonics development. If you have any questions or would like further information, do not hesitate to reach out.

Thank you for your continuous support in your child's education.

Warm regards

Miss E Argent

Year 1 Class Teacher
