

Classroom News!

Summer 1 2026

admin@holyfamilyschool.co.uk

Children in EYFS will be learning about Monsters as it will encourage imagination and creativity while providing meaningful opportunities to develop language, storytelling and expressive arts. Exploring monsters through stories, role play, drawing and model making will allow children to describe characters while using new vocabulary. It will also help children talk about emotions, in a safe and playful way, while building confidence, collaboration and problem-solving skills through shared activities and imaginative play.

Our Topic this term is...
Monsters

How You Can Help at Home

Linking to our topic we will be enjoying various stories including...

- Encouraging your child to talk about stories, draw or create their own monsters, and describe what they look like, where they live and what they like to do.
- Read monster-themed books together and discuss the characters to help develop vocabulary and comprehension.
- Help support writing by helping your child label their monsters or write simple sentences about them, which helps build confidence in early reading and writing.

Reminder

Please check Facebook and of course the school website, to see all the amazing activities we have been up to.

Children will visit our reading room where they will read for pleasure and chose a book to bring home.

Our amazing Reading Room

Attendance

Regular attendance is directly linked to raising achievement. Please support the school in this by ensuring that your child attends school every day and arrives ready to learn.

Gates will be open for children at 8:35am and children are expected in class to start learning at 8:55am.

They will also enjoy joining in with class reader time and be read 1:1 with an adult.

Children will have a reading book that is matched to their phonics groups. These books need to be in school EVERY DAY so please make sure your child has it in their book bag.

IMPORTANT NOTICE

RE

In FS2 children will learn about and explore Catholic and Christian traditions, alongside traditions from other faith backgrounds, so they can develop an understanding and respect for all and the world around us.

Children will be introduced to new vocabulary and be taught through hearing, celebrating, believing and living. They will also be involved in Care of Creation and Chaplaincy teams.

Please remind your child to bring their reading books to school every day!

Your child will have a poster in their reading record book explaining ideas of how and why you should read every day with your child.

Thank you for taking the time to read it.
