

3<sup>rd</sup> March 2026

Dear Parent/Guardian

## **YEAR 4 VISIT TO MAGNA SCIENCE ADVENTURE CENTRE**

As part of our topic work this term we are learning about Electricity; constructing circuits, identifying and naming basic parts and conducting a range of experiments. We have booked a visit to take Year 4 pupils to Magna Science Adventure Centre on **Thursday 18<sup>th</sup> June 2026.**

The day will include a 'Big Circuits Workshop'. The children will leave school at 9.00am so please ensure your child is at school for no later than 8.45am. The coach will be leaving the museum at 2.45pm and should arrive back at school for the end of the school day (dependant on traffic; an email will be sent on the afternoon).

Children will need to wear school uniform as usual with a warm coat and suitable footwear. Please provide a packed lunch (no glass bottles or fizzy drinks) for your child. **If your child has free school meals and requires a packed lunch for this day, please can you inform the office before Friday 12<sup>th</sup> June 2026.**

In order for this visit to take place, we are asking for a voluntary contribution of **£19.00** per child to cover the cost of the entry centre fee, workshop and also the coach transport. Please note that if we do not receive enough parent/carer contributions then this visit may not take place. School has already agreed to contribute an amount towards the trip in order to minimise the cost to you, therefore school is not in a position to be able to subsidise this any further.

**Payment and consent to attend Magna Science must be via Parent Pay by Friday 1<sup>st</sup> May 2026.**

If you have any queries or problems regarding the payment for this visit, please contact Ms C McFadden.

Yours sincerely

Miss E Dyson  
Year 4 Class Teacher
