

23rd January 2026

Dear Parents and Carers

We are excited to let you know that our school will be taking part in a **Maths Number Day** to celebrate learning and having fun with numbers. This will take place on **Friday 6th February 2026**.

On this day, all children (and staff!) are invited to come to school **in their own clothes**, wearing **something that has a number on it**. This could be a numbered football shirt, a top with numbers, a numbered birthday badge or any other creative idea. Please do not buy anything new – simple and fun is perfect!

The day will include a range of enjoyable maths-based activities (indoors and outdoors) designed to help children see how important numbers are in everyday life and application of maths into real-life scenarios.

We also recognise our families are often asking for different ways to support their children at home. Therefore, please find below a list of websites to support your child at home with maths.

<https://www.students4students.org.uk>

<https://trockstars.com>

<https://www.topmarks.co.uk/maths-games>

<https://mathsframe.co.uk/>

<https://nrich.maths.org/>

<https://bbc.co.uk/bitesize>

Thank you very much for your on-going support in this area of school life.

Kind regards

Mr Ascroft

Assistant Headteacher/Maths Subject Leader
