Book Talk

Our Year 6 class text for this half term is 'Seabeam' by the author Sarah Holding

Life for Alice and the five other children living on the remote Scottish island of St Kilda was challenging enough, but when the strange C-Bean Mark 3 shows up and they discover only Alice can control it, their whole world changes. It's only when her desperate attempts to get back to her own time seem doomed, that Alice finally sees the truth and finds the courage to act.

Home Reading

Children are encouraged to read at home every day to support their fluency, intonation and understanding of a variety of texts and genres. This not only supports the children with their reading, but also in the wider curriculum.

I would like to thank you in advance for your participation and encouragement.

Our Geography topic this term is- **Global Challenges: Trade**

A Prayer for the Final Term

Dear God,

Thank you for bringing us to our final half term in Year 6. We are grateful for all the experiences, friendships and lessons that have helped us grow throughout our time in primary school.

As we prepare for the exciting journey ahead, help us to face new challenges with courage, confidence and hope. Guide us as we move on to new schools, new opportunities and new friendships.

Help us to use the gifts and talents you have given us to make a positive difference wherever we go. May we continue to show kindness, respect and compassion to others, and carry the values we have learned with us into the future. Stay close to us as we take these next steps, reminding us that you are always with us wherever our journey leads.

Amen.
