Autumn Animal Antics

- How to form special friendships through independent activities, phase stories and activities.
- Offer stay and play for parents and children to get the chance to interact in school
- To understand how to accept constructive support and recognition of their personal achievements.
- How to tell each other about their work and play and be reflective and to self-evaluate their own work.
- To develop problem-solving skills by talking through how they and others resolve a problem or difficulty. They will learn that mistakes are an important part of learning and going back is trial and error not failure.
- To recognise when their behaviour was not in accordance with the rules and why it is important to respect class rules and behave correctly towards others.
- To use story time (talking about the ideas arising from the story whilst reading aloud) to discuss books that deal with challenges, explaining how the different characters feel about these challenges and overcome them.
- Good hygiene, such as insisting on hand washing and sanitising before snack and lunchtime.
- To make decisions about healthy foods and the importance of eating plenty of fruits and vegetables.
- To develop good personal hygiene and be provided with regular reminders about thorough handwashing, toileting and oral hygiene.
- Oral hygiene and talk about what our teeth do and why we need to keep them healthy and what they can do at home to look after their teeth.
- To talk about their experiences of going to the dentist and what happens when they are there.
