

Dear Parents/Carers

We are excited to announce that we will be holding a **'Dress as a Word Day'** at school on **Thursday 1st October 2026!**

On this exciting day, the children will have the opportunity to come to school dressed as a word of their choice. We encourage children to be as creative as possible with their costumes and to think about how they can represent their chosen word.

Throughout the day, the children will take part in a range of **fun spelling activities and games** designed to make learning about words and spelling enjoyable and engaging.

We hope the children will have lots of fun getting creative while celebrating the joy of words and spelling!

Thank you for your support, and we look forward to seeing all of the wonderful word-themed costumes!

Miss Wainwright
(Assistant Head Teacher & Literacy Leader)
