Section 1: Rationale

This Annual Plan of Provision serves as a living document in response to capturing moments of encounter in conjunction with the lived experiences of our school community. Regular monitoring, evaluation, and collaboration will ensure that the plan remains relevant, engaging, and effective in nourishing the spiritual lives of all those within the school community. At Holy Family Catholic Primary School we strive to live out the Gospel in the way Jesus teaches us to We celebrate the diversity of our school community and value each person as unique; made in God's image and likeness We work together, through God's love, to enable our pupils to achieve excellence in all aspects of their education.

Section 2: Seasonal Provision Overview

Seasonality is something that connects us all on a very human level. When considering our approach to planning and celebrating prayer and liturgy we need to think first of when in the life of the community it's taking place. Just as the changing seasons outside help us get a feel for the time of year, we must give special consideration to making the different seasons in the Church feel different too.

Advent/Christmastide

Advent is a season of preparation and anticipation for the celebration of Jesus' birth. We aim to create a peaceful and reflective atmosphere throughout the school to encourage students to enter into the spirit of waiting and hope.

Classroom and School Environment Colour Scheme: Decorate your classroom and designated school areas with purple fabrics, banners, and displays. Purple symbolises royalty, penitence, and preparation, reflecting our anticipation of the coming King. **Advent Wreath:** The Advent Wreath is a central focus in each classroom. Light the candles each week during morning prayer or circle time, explaining their significance and connecting them to the weekly readings and themes. **Travelling Nativity:** Each class will be presented with a Travelling Nativity at the beginning of the Advent period. Each class takes the bag home for a day or two, allowing students to engage with the Nativity story in a personal way. Each pupil is asked to complete a prayer in the prayer journal with a focus on the Word of the Week. **Music:** Advent carols and hymns become a focus in our choirs, assemblies, and prayer times.

Prayer and Liturgy: **Advent Prayer journal:** Each pupil is asked to complete a prayer in the prayer journal with a focus on the Word of the Week and a reflection on the Travelling Nativity. **Celebrations of the Word:** These are kept simple and focused on the Word of the Week. Children are given the opportunity in class Collective Worship to further explore prayer and reflections important to them.

Overall Tone We maintain a sense of quiet anticipation and reflection throughout Advent. Children are encouraged to consider the true meaning of Christmas and how they can prepare their hearts to receive Jesus.

Ordinary time

Ordinary Time is the longest liturgical season, offering us a time for growth and deepening our faith. We celebrate the ongoing presence of Christ in our lives and strive to live out the Gospel message in our daily actions.

Classroom and School Environment Colour Scheme: Use green fabrics and decorations to symbolise spiritual growth and new life. Create displays that showcase the fruits of the Holy Spirit and the virtues we are cultivating. **Mary Garden:** The school prayer garden becomes a central focus during Ordinary Time. We encourage students to spend time in the garden, observing the natural world and connecting it to their spiritual growth. Consider planting flowers or herbs as a class, symbolizing the growth theme.

Prayer and Liturgy Morning Prayer: Begin each day with a special prayer for Ordinary Time. The Our Father is a central traditional prayer during this season, reminding us of our relationship with God and our call to live as his children. **Celebrations of the Word:** We incorporate the Sunday readings into reflections and discussions and pupils are encouraged to reflect on how the Gospel message apply to their lives.

Overall Tone: We maintain an upbeat and positive tone throughout Ordinary Time. The focus is on our missionary role to spread the Good News and encourage students to share their faith with others.

Lent

Lent is a season of reflection, repentance, and renewal. We journey with Jesus towards the cross, reflecting on our own need for forgiveness and striving to deepen our relationship with God.

Classroom and School Environment Colour Scheme: Use purple or violet fabrics and decorations to symbolise penance and preparation. Create a prayerful atmosphere in classrooms. Travelling Lenten Image: We share a prayer journal and holding cross with the children in Lent and encourage time at home to reflect with families when writing a prayer for the prayer journal. Stations of the Cross: Each class creates a cross in response to the Stations of the Cross and these are shared in a Celebration of the Word with the school community and families

Prayer and Liturgy Morning Prayer: Begin each day with a special Lenten prayer. Focus on themes of repentance, forgiveness, and turning back to God. Sacrament of Reconciliation: Offer opportunities for students to receive the Sacrament of Reconciliation. Prepare them for this sacrament through age-appropriate discussions and activities. Shared Prayer: Provide opportunities for shared prayer and reflection. Encourage students to examine their conscience and seek God's forgiveness.

Overall Tone The school maintains a sense of calm reverence and reflection throughout Lent. Children are encouraged to engage in the Lenten practices of prayer, fasting, and almsgiving.

Eastertide

Eastertide is a season of great joy and celebration, marking the resurrection of Christ. We celebrate the new life that Jesus offers us and rejoice in the hope of eternal life.

Classroom and School Environment Colour Scheme: Decorate your classroom and designated school areas with bright colors and festive decorations. White and gold are traditional Easter colors, symbolising purity and joy. **Eco Garden:** Each class utilises the eco garden during Eastertide, connecting the resurrection with new life and growth, encouraging students to observe the signs of spring in the natural world.

Prayer and Liturgy Morning Prayer: Begin each day with a special Easter prayer. The 'Glory Be' is a key prayer during Eastertide, praising the Trinity and celebrating the resurrection. **Celebrations of the Word:** Focus on the resurrection narratives and the joy of Easter.

Overall Tone We maintain a happy and positive tone throughout Eastertide. We encourage children to share their Easter joy with others and to live out the message of the resurrection in their daily lives.

Pentecost

Pentecost marks the descent of the Holy Spirit and the birth of the Church. We celebrate the gifts of the Holy Spirit and our call to share the Good News with the world. This then leads to our second period of Ordinary Time.

Classroom and School Environment Colour Scheme: Continue using green fabrics (After the feast of Pentecost) and decorations to symbolise spiritual growth and new life. We incorporate red into our displays where appropriate, to represent the fire of the Holy Spirit.

Prayer and Liturgy Celebrations of the Word: Focus on the Acts of the Apostles and the growth of the early Church. Encourage students to reflect on how the Holy Spirit is active in their lives.

Overall Tone The school maintains an upbeat and positive tone throughout Pentecost. We encourage students to use their gifts to serve others and to share the Good News, as missionary disciples, with the world.

Prayer and Liturgy Weekly timetable

When we look at more formal gatherings, such as Celebrations of the word and the variety of opportunities to experience prayer and liturgy in school, we must also look at the rhythm that each day / week / term takes and start to make decisions about how to further embed the seasons into the experiences of our community. The opportunity to use different start and end of day prayers for example, or to offer extra opportunities during different seasons, such as reconciliation during Advent and Lent, can all help shape an awareness for all people of the Church's liturgical year. The important aspect to remember is to be deliberate and purposeful in shaping a rhythm of prayer and liturgy that is in harmony with the liturgical year, and that is engaging and accessible for all. All Celebrations of the Word have the theme of the weekly Gospel and an appropriate whole school virtue and Catholic Social teaching focus is shared and followed.

Evaluation and Monitoring

All of our prayer and liturgy is evaluated to ensure that our offer is quality assured.

Each year, prayer and liturgy in our school is reviewed as a whole by the Headteacher, Chaplain and RE Lead, and an action plan for the following year produced to ensure any points from the evaluation, feedback and monitoring become a focus

Inclusive Practise

Season – Giving distinct feelings to different seasons of the year will ensure everyone feels safe and included. Physical spaces will integrate seasonal elements into our everyday experiences in the classroom and will allow all pupils, including those with SEND, to make connections between their familiar experiences and times of prayer and liturgy. For example, RE corners and focus areas will show liturgical colours and seasonal vocabulary and/or pictures. Content in RE and/or Collective Worship will be considered in order to allow any pre-teaching or discussions to take place when there may be topics some pupils could find challenging.

Scripture- Using suitable translations, such as GNT, alongside accompanying simpler texts, pictorial resources, videos, music and visual aids (e.g. Widgits) allows us to remove any barriers to accessing the written word. Displaying text clearly, with dyslexia friendly fonts and background colours allows for improved readability and accessibility. Careful consideration will be given to scaffolding instruction for pupils in prayer and liturgy.

Senses – Being mindful of the sensory and physical needs of our pupils will allow us to make adjustments where necessary. This will be discussed with pupils so that they have the relevant supports and aids so they can always feel comfortable and participate fully.

Structure – Using the adapted planning sheets (pictured) will allow a scaffolded approach to planning the structure of Celebrations of the Word. Using a 'now and next' approach to prayer and liturgy by adding graphics to PowerPoints or booklets will allow pupils to feel more secure and prepare them for the next stage of prayer or liturgy.

Other Faiths Provision

Respectful Dialogue and Consultation: When addressing the needs of students and staff from other faith traditions, the sources stress the importance of open and respectful dialogue with families and, where possible, local religious leaders. This allows the school to understand the perspectives and sensitivities of those involved and make informed decisions about appropriate levels of participation. **Prioritising Sensitivity and Integrity:** It is considered inappropriate to ask individuals from other faith traditions to participate in liturgical actions or pronouncements that contradict their beliefs. This includes asking them to recite prayers that are Trinitarian in nature, make the sign of the cross, or read from Christian scriptures during formal prayer or liturgy.

Creating Opportunities for Shared Reflection: While respecting the boundaries of liturgical participation, the sources encourage schools to create opportunities for shared reflection and prayer that acknowledge the common humanity and spiritual journeys of all individuals. This might involve: -

Throughout the year, children will learn about different aspects of Other World Faiths through their RE work. Each year group will focus on a different aspect. These are: Reception - Traditional clothing and stories Y1 - Special Days and Rituals Y2 - Prayer Traditions Y3 - Places of Worship Y4 - Holy Books Y5 - Beliefs and Festivals Y6 - Values and Belonging

Lessons will follow a 'Relate, Encountering and Respecting' format. We will also hold a Celebration of the Word for each World Faith to showcase what children have learnt, to celebrate our differences and recognise links and similarities between all World Faiths.
