**Title:** The Suitcase Kid

**Author:** Jacqueline Wilson

*The Suitcase Kid* is a 1992 children's novel written by Jacqueline Wilson and illustrated by Nick Sharratt. The story focuses upon a young girl, Andy, caught between her warring parents' bitter divorce, and the determination Andy has to get her parents back together (as is common amongst children whose parents are divorcing). However, as the story proceeds, Andy realizes that she has to accept that her parents will not reunite and that she must move on like they did.

This story was a favourite of mine growing up, with a lovely ending!
