Dear Ms McFadden and all at Holy Family Catholic Primary School,

Thank you for accepting the challenge to live simply in your community. In doing so, you are listening to Pope Francis' call in Laudato Si' that our "responsibility within creation and our duties towards nature and the Creator are an essential part of our faith".

Please find attached your LiveSimply registration certificate. I hope that you will celebrate your registration with the rest of your community. Now is the time to put your action plan into action.

Advice is available from the LiveSimply schools team via email: schools@cafod.org.uk

By accepting the challenge to go for a LiveSimply award, you and your community are starting on a journey. There may be times that in the course of your journey together you will experience moments of uncertainty. But in your quiet moments of reflection, you may hear another voice speaking to you - of hope and of life renewed.

Be assured that your LiveSimply journey together will be one of wonder, of belonging and integrity, arriving, I hope, in celebration.

With my best wishes.

Yours sincerely,

+ John
